- (*West–östlicher Divan, a collection of lyrical poems by Goethe (1749-1832) inspired by Hafez, Persian poet of 1325-1390)*

- Adopted as the European Union Anthem

An den Freude

Freude, schöner Götterfunken
Tochter aus Elysium,
Wir betreten feuertrunken,
Himmlische, dein Heiligtum!
Deine Zauber binden wieder
Was die Mode streng geteilt;
Alle Menschen werden Brüder,
Wo dein sanfter Flügel weilt.

Ode to Joy

Joy, bright spark of divinity,
Daughter of Elysium,
Fire-inspired we tread
Within thy sanctuary.
Thy magic power re-unites
All that custom has divided,
All men become brothers,
Under the sway of thy gentle wings.

Role of Music in Advertising

- Plays the role of impressing the audience's attention; this makes the advertisement friendly to the audience, rather than intrusive.
- Audience hears the music, likes it, and identifies the advertisement and the product with the music, fostering positive feelings towards the product.
- Makes the audience's experience of the advertisement good.

Education

Integrating music in education is very important for not only the students but their parents and schools as well.
Music can:
Improve test scores
Cut learning time
Calm hyperactive children and adults
Reduce errors
Improve creativity and clarity
Heal the body fasterIntegrates both sides of the brain for more efficient learning
Raise IQ scores 9 points (research done at University of California, Irvine)

In 1996, the College Entrance Exam Board Service conducted a study on all students taking their SAT exams. Students who sang or played a musical instrument scored:

Reference books & sound recordings online, CD, DVD, etc.

If I were not a physicist, I would probably be a musician. I often think in music. I live my daydreams in music. I see my life in terms of music.... I cannot tell if I would have done any creative work of importance in music, but I do know that I get most joy in life out of my violin.
