Wolfgang Amadeus Mozart 1756-1791

born in Salzburg, died in Vienna

- Solo Sonatas
- String Quartets, Quintet
- Symphonies
- Concertos

- Other chamber music室内乐: Serenade, Divertimento, etc.

- Masses, Requiem

- Operas

- The most popular combination in chamber music is the ***string quartet*** featuring two violins, a viola and a cello. Music-making was a very popular family gathering with neighbors and friends in the 17th-20th century in Europe.
- This video shows the chamber of a Baroque castle, just like the musicians are playing for a noble family and their friends. The players in this video are members of the Leipzig Gewandhaus Orchester.

*Eine kleine Nachtmusik (A Little Night Music) /**Serenade** K.525* 小夜曲

- Commissioned for a special occasion having four movements for a string quartet with a double bass, and usually played by a medium size string orchestra.
- 1st movement : Allegro - *cheerful and rhythmic illustrating joy and happiness*.
- 2nd movement : *Romance* -very expressive yet within control. It has been widely used in many movies.
- 3rd movement: Menuetto - stately with dignity showing a certain style of nobility.
- 4th movement : Finale – rhythmic and enlightening.

- **Now watch the videos on the next page**: Items 1 & 5 are the authentic quartet version. Items 2,3,4 are with orchestra. The Tokyo one is actually quite good. The San Francisco group is not perfect but with strong rhythmic drive. The Vienna Philharmonic Orchestra conducted by Karl Bohm sounds too heavy for a serenade because the orchestra is simply too big for this piece, it does not move freely.
- Item 6 is a street musician in the street of Copenhagen, Denmark playing the bottles filled with different capacity of water to form the different pitches. It is rather entertaining!!

- Mozart had written around **50 symphonies** with **41** remained.

1. ***Symphony No. 20 in D major, K. 133*** in Salzburger Festspiele 1991

- https://www.youtube.com/watch?v=ivHfSK4wpo8

This 4-movement symphony was written by Mozart when he was 16 years old, the work is therefore very conventional Classical and well balanced.

2. ***Symphony No. 40 in G minor***, *K. 550*

1st movement: molto allegro https://www.youtube.com/watch?v=wqkXqpQMk2k

2nd movement 7'40" 3rdmovement: 15'10" 4th movement: 19'30"

- This 4-movement symphony is surely a mature work of Mozart's. It shows more passion than the usual well controlled elegance. Using a minor key is also rare for Classical composers.

- arranged for Cello and Guitar
