3. Study the "Throne Verse" (2:255), and do some short online research, and try to explain why it is so emphasized and popular for Islamic readers.

The "Throne Verse" is known to be the most famous verse in *Qur'an* because it exerts profound meaning of the etymological power of God on the Islamic readers. The verse sheds light on the omnipotence of God and his sublimity.

带格式的： 字体: 11 磅, 倾斜

批注 [DYZ1]: Good introduction, concise and precise.

In my own interpretation, the verse connotes the powers of God that is so prevalent in the whole universe. The existence of God is "self-subsisting" and "supporter of all". His existence is independent that he alone provides the reason for his own being. He is omnipresent in the sense that his sovereignty entails both "in the Heavens and on Earth". He is all-wise for he "knows what appears to His creatures before, or after, or behind them". His knowledge is non-refutable for his words are always the only Truth. He is omnipotent that his throne "extends over the heavens and the earth". These lines highlight the sublimity of God and the prevalence of his power. His supreme position is emphasized for his power is overtly superior to the others.

According to my online research, the verse is so famous to the Islamic readers mainly because of two reasons.

Firstly, it is because this "Throne Verse" highlights the prevalent qualities of God which are omnipresence, all-wise and omnipotence. This offers a very brief but core introduction of God which allows others to know the powerful side of this supreme being. The verse offers the Islamic readers a profound meaning in interpreting the existence of God. In other words, this verse helps to reinstate the faith in their religious beliefs.

Secondly, it is because this "Throne Verse" is said to be able to protect and secure the family through recitation. It is commonly believed that through recitation of the verse, the entire family members and house will be under the protection of God. The Islamic readers are told to recite this verse every night before sleep so that their family will be blessed.

批注 [j2]: Do you think the two reasons should be equally separated? It seems that the second reason is based on the first one.

In conclusion, the above is the result of my own interpretation of the "Throne Verse" and result of the online research.

批注 [j3]: This is not a conclusion. It is redundant, for it says nothing. Delete it.

Mark: 9.5

Good analysis. A central Sura in a script should of course be very typical in meaning, and states the central idea of the belief system. And of course, it should be about the nature of the god in the system, thus you said “the verse connotes the powers of God that is so prevalent in the whole universe”.

Pay more attention to citation style. If you did some “online research”, then you should indicate where you cite the information.

表达清楚，结构明确。只是我没有看出“孝是仁的一种表现形式”，到底是如何论述的，也许你想说的是，孝是一种具体的仁，是对父母的仁，也就是对父母的关爱，而这种关爱是内心的、情感性的，而不是表面的，物质性的。

2. What is the relation between *Xiao* (孝, filial piety) and *Ren*?

《论语》中，“仁”是孔子理论的核心，并由此衍生出孝，忠，恕，信等许多品质。其中，孝有特殊的地位，它是仁的一种表现形式，也是仁的基础。

首先，合于要求的孝是仁的表现。孔子在《论语》中给了仁许多解释，包括“克己复礼为仁”（12.1），“爱人”（12.22）。广义地讲，仁就是完善的道德品质。孝作为一个人对父母的爱自然也包含其中。但并非所有的孝均可划入仁。它不是简单的“能养”之孝（2.7），若是不存心严肃，而只“有事，弟子服其劳；有酒食，先生馔”（2.8），便与狗马无异，称不上孝，更无谓仁。孔子眼中合乎要求的孝除了“养”，更要“敬”，即子女对父母有真切的敬仰而不违逆（4.18）；要“安”，即不让父母因子女的疾病，去向而担惊受怕（2.6，4.19）；要“色”，即子女对父母有发自内心的和颜悦色（2.8）。具备了以上要求的孝才称得上是一种仁。

批注 [DYZ1]: 这一段的论述很好，但是你的目的却不是在论述孝是仁的表现，而是阐述什么是真正的孝。

再者，在仁众多的表现形式中，孝是仁的基础，仁是孝的推广。古语云“百善孝为先”，孔子也赋予孝极高的地位。孝是为学的第一位，一个人要先践行了孝，“行有余力，则以学文”（1.6）。有子总结为“孝弟也者，其为仁之本与！”（1.2）。孝的重要地位不难理解。“子生三年，然后免于父母之怀”（17.21），从出生我们便受父母的养育，血缘亲情是所有人与人关系中最自然亲密的。只有一个人能爱其父母，才能推而广之地做到仁所要求的爱天下之人。更进一步，孔子将孝与政治联系在一起。在他看来，把孝的风气带到政治上同样是为政（2.21）。孝敬父母是小孝，忠于君主是大孝。有孝之人，“而好犯上者，鲜矣；不好犯上，而好作乱者，未之有也”（1.2）。简

单的说，一个有孝的人不会犯上作乱，相反，他能在内敬长齐家，在外辅佐君王治国平天下。由小家的孝推广到国中安定，“务本”进而“道生”，仁不就在这推广的过程中吗？

《论语》中关于孝与仁的冲突再次印证了孝的特殊性。孔子谈论到偷羊问题时提出，“父为子隐，子为父隐。——直在其中矣。”（13.18）。儿子为父亲隐瞒~~偷窃~~偷羊的行为源自子女对父母的爱，也可以算是归于孝，尽管这与孔子之前所提倡的“主忠信”（12.10）相违，但孔子仍称其为“直”。这里就可以看出，孝有高于仁中其他品质的特殊地位，我想这也是其为“仁之本”而来的。

孝为根基，不断抽芽延伸之后，枝繁叶茂的整体便是仁，因而仁离不开孝；但若丢弃了整体的仁，孝也不复存在。可以说，孝为仁之本，孝又含于仁。
